

## **St. Cloud Amateur Radio Club August 2007 Minutes**

Here are the notes from the last club meeting. Again we find ourselves without a Secretary to take notes and send out a newsletter. I will continue to take notes and send them out, but we should have a regular newsletter.

The next meeting is Thursday the 20th of September. September 22 is the day set to remove the tower from Jack's and move it to the clubhouse. Many volunteers are needed!
